

## Fire Marshall Training

**Duration:**

Half day

**Group Size:**

Maximum of 8 learners

**Course Aims:**

To enable learners to carry out their duties as a fire marshal effectively.

**Course outline:**

By the end of the course, learners will cover the following content: -

- Define the fire triangle and common causes of fire
- Outline the role of the fire marshal
- State the evacuation and re-entry procedures
- Describe the methods for dealing with special situations
- Demonstrate the selection and use of fire extinguishers

**Course completion:**

Learners will complete a practical assessment, question paper and complete a workplace task sheet. Upon successful completion learners will receive a Certificate issued by the training provider.
